

Creating Sound Effects

Ask yourself these questions about your word:

1. Should it sound slow, medium or fast?
2. Loud or soft?
3. High or low?
4. Staccato or legato?

What's that sound?

Make up your own sound effect for these sentences:

1. Sam went running on the hot sand until he splashed in the ocean.
2. Sally fell asleep and dreamed about Christmas.
3. The cricket went hopping down the steps.
4. Phillip sneaked up to his little sister and yelled, "Boo!"
5. The cat climbed up the fence and jumped down.
6. The fly was buzzing around and around my head. "Splat!" I killed it!
7. The giant stomped up to the little princess.
8. The grasshopper jumped up the steps and knocked on the door.
9. The lion roared so loud that all the people were shaking.
