

# Creating Sound Effects

Ask yourself these questions about your word:

1. Is it happy or sad?
2. Should it sound slow, medium or fast?
3. Loud or soft?
4. High or low?
5. Staccato or legato?

Special techniques to consider:

Whole tone scale, clusters, stacked 5ths or 4ths, chromatic scale, or tremolo, bi-tonality, and prepared piano.

## What's that sound?
